## NORWAY SAVINGS

Choose **more.**

Choose **Maine.**

For every \$100 you spend at a **local business**,  
\$45 stays in the state, creating jobs and expanding our tax  
base. **Only \$14** remains in the community for every \$100  
spent at a **national chain** or franchise store.\*

The choice is clear. **Keep more in Maine.**

Use your Reality or Norway Business Debit Card when  
you shop and you'll even get cash back!
